CHILD ABUSE AND NEGLECT PREVENTION PUBLIC AWARENESS CAMPAIGN

Overview of new grant:

The grant is funded by Solano County Child Welfare Services through the Office of Child Abuse Prevention Community-Based Child Abuse Prevention (CBCAP) Program Allocation.

Here is what is on the horizon... We will be working on a new project called the Child Abuse and Neglect Prevention Public Awareness Campaign. Although the contract has not yet been signed by Solano County, we have already begun looking at how we will be carrying out these activities. Ultimately, the goal is to develop and implement a countywide child abuse prevention public awareness campaign. By focusing on 4 main themes throughout the year and creating a media campaign around them, we will be raising awareness around and preventing child abuse, and neglect.

These are the four main themes, one per quarter during the fiscal year:

- The 5 Protective Factors
- The Impact of Domestic Violence on Children (IPV)
- Parenting in Times of Economic Stress
- Shaken Baby Syndrome

Here is a list of some of the activities that we are expected to carry out:

Each of these themes will be the subject of a quarterly campaign, and each will not only be countywide, but will require us to come together as a county to get these activities done.

- We will be developing a social media campaign for each theme, which will include printed materials, multi-media approaches, and especially social media campaigns, which will include regular postings, and a social media calendar. Videos, infographics and other messages will be posted regularly, aimed at parents.
- We will also be issuing press releases on a quarterly basis, each one based on the topic of the quarter.
- In addition, we will be expected to Develop and coordinate a public awareness campaign for National Child Abuse Prevention Month (April 2019).
- We will also work very closely with our FRCs to have quarterly workshops. These workshops will be on the topic of the quarter, and will be in one of the target communities: Vallejo and Fairfield/Suisun. Pre- and post- surveys will be collected from workshop participants to determine the efficacy of the campaign materials.
- We will be attending a selection of child abuse prevention month activities and we will collect information and photos for social media posts and other publication uses.
ALLIANCE WORKGROUP PRIORITIES FOR 2017-
2018 FISCAL YEAR

Work Group 1: Advocacy and Legislation:
SCA should continue to play an active role in legislative and budget issues and continue active involvement in advocacy and education.

Alliance Work Group Members: Ronda Kogler, Zoe Bartholomew, Pam Posehn, Rachel Rico, Amalia Chamorro, Juan Cisneros, Kelly Dwyer, and Alan Kerzin

Priorities to focus on for 2017-2018
1. Plan and Coordinate Fall Convening Meeting addressing gaps in services.
3. Staff and Members continue to attend County Legislative Committee.
4. Prioritize bills to follow and take action during legislative session. (help and support from Amanda, UWBA)
5. State Budget Advocacy (prioritize budget items)
6. Local and State Legislative and Budget Advocacy to the BOS
7. Schedule meeting with BOS after the Policy Forum to show results and next steps

Work Group 4: CAPC Activities

Alliance Work Group Members and CN Staff: Gloria Diaz, Pam Dixon, Susan Ferdinandi, Debbie Powell, Aaron Crutison, Adrienne Carson, Maria Vicondoa, Candy Pierce, Guadalupe Lopez

Priorities to Focus on for 2016/2017
1. There continues to be a need for in person Mandated Reporter Trainings. Everyone in the group, who was present, agreed with this.
2. Provide one training for trainers, with the idea that those trained could provide a minimum of one training within the fiscal year.
3. There was discussion that those who are trained would be part of the “Speakers Bureau”, and that the number of trainings provided and the number of individuals trained would be documented.
4. Increase Coordination of CAPC activities to include more agencies countywide: broader distribution of CAPC information. Greater visibility on websites.
5. Identify and assemble information to share with the community.
6. We did not have time to discuss the specific activities that align with HMG/Solano Kids Thrive workgroups. However, putting together a comprehensive list of agencies and other service providers whose primary focus is Child Abuse Prevention, Intervention and Treatment, that could be shared in a variety of ways is well within the scope of the Alliance/CAPC workgroup and contract.
